

HOW TO GET YOUR HOME INSPECTOR LICENSE IN NORTH CAROLINA

1 TAKE A HOME INSPECTION COURSE

Complete an approved 120-hour home inspection training course. ICA's online course is fully approved to meet this requirement.

2 FIELD TRAINING

Complete 80 hours of home inspection field training. You can complete the field training before, during, or after the completion of the online course.

3 EXAM PREP

Study for the NC Home Inspectors Exam. ICA's *Pass the Test* course is included with your training and will fully prepare you for the exam.

4 TAKE THE STATE EXAM

Take and pass the North Carolina Home Inspectors Exam.

5 START INSPECTING

Start your own home inspection business, or go to work for an existing home inspection company!
